PLEASE READ!

All competitions listed in this *Omnibus* have agreed to conduct their competition in accordance with the rules, regulations and directives of the American Driving Society and/or U.S. Equestrian Federation, Inc. (USEF).

Any competitors planning to participate in the Combined Driving Events or Pleasure Driving Shows listed in this *Omnibus* should be thoroughly familiar with the current Rules of the American Driving Society and any other organizations by which the competition is recognized. Failure to know the rules can result in elimination. Every class offered herein which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith. As is printed in the ADS rulebook (AC-4.3) information published in the *Omnibus* will take priority over information in the Prize List in the case of conflicting information.

ORGANIZERS RESERVE THE RIGHT TO LIMIT ENTRIES, REFUSE AN ENTRY WITHOUT STATING A REASON, TO CANCEL, COMBINE OR DIVIDE A CLASS, OR ALTER THE PROPOSED TIME SCHEDULE, OR OFFICIALS IF NECESSARY.

ORGANIZERS MAY REFUSE TO ACCEPT AN ENTRY THAT IS NOT COMPLETELY AND CORRECTLY FILLED OUT, INCLUDING ALL NECESSARY HEALTH PAPERS, SIGNATURES, FEES, COPIES OF MEMBERSHIP CARDS, ETC.

Entry Forms are included with the *Omnibus* and are available for download on the ADS Web site. Please make sure to use the correct Entry Form!

The Omnibus is published twice yearly by the American Driving Society, Inc., P.O. Box 278, Cross Plains, Wisconsin 53528 and is provided to all members of the ADS as a membership service. Print copies of the *Omnibus* are available for purchase at the rate of \$8 due on April 1 and October 1.

ADS MEMBERSHIP:

In order to participate in any of the competitions at any level listed in this *Omnibus*, competitors (drivers only) must be current members of the ADS or pay a non-member fee.

Canadian drivers who compete in Canada at ADS sanctioned competitions are not required to pay the non-member fee provided they hold a valid PEF Membership and the competition is sanctioned by Equine Canada.

Several shows included in this *Omnibus* are also recognized by USEF and FEI. It is the responsibility of each competitor to comply with membership and competition requirements for these additional organizations.

ATTENTION SHOW ORGANIZERS:

DEADLINE FOR NEXT OMNIBUS:

MARCH 1, 2016

**THE NEXT ISSUE WILL INCLUDE
INFORMATION FOR
COMPETITIONS
SCHEDULED BETWEEN
JULY 1 AND DECEMBER 31, 2016.**

**ALL INFORMATION
MUST BE SUBMITTED
BY THE ABOVE DEADLINE.**

GOLF CARTS AND ATVS

According to Equisure, the company that insures the American Driving Society, more claims are made each year because of accidents relating to golf carts and ATVs than horses and carriages.

We can prevent most of these accidents by using common sense.

Please follow these simple rules:

- **Do not allow unlicensed drivers to operate golf carts or ATVs.**
- Drive it only on the track of the course or where allowed by the competition. Remember that competitions are often held on private property and that golf carts and ATVs can get stuck on wet ground.
- Don't overload the golf cart or ATV with too many people. This is not only unsafe, but is probably not good for the cart either.

USEF MEMBERSHIP STATEMENT

Life, senior active and junior active members shall be eligible to participate in all classes at Regular Competitions, Eventing Competitions at the Preliminary Level or above and Combined Driving Competitions at the Advanced Level, Dressage, Reining and Vaulting Competitions and Endurance Rides. A nonmember may participate as a handler, rider, driver, owner, lessee, agent, coach or trainer at Regular Competitions, Eventing Competitions, Dressage Competitions, Reining Competitions and Combined Driving Competitions upon payment of a \$30 Show Pass fee. Participants in the following classes are exempted from the Requirements of this rule: 1) leadline; 2) exhibitions; 3) games and races; 4) classes for 4-H members; 5) walk trot and academy classes (academy classes are classes limited to horses used regularly in a lesson program); 6) USDF introductory level tests, pas de deux and quadrille classes; 7) NRHA Endorsed Reining Competitions. 8) Opportunity classes, 9) citizens of other nations who have proof, in English, of current membership in good standing of their own National Federation, 10) USEA beginner novice division; and 11) assistant handlers in Dressage Sport Horse Breeding classes.

USEF MOTORIZED VEHICLE STATEMENT

In accordance with GR1301.7:

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. ***The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation.*** Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. (If your competition bans motorized vehicles, please contact our office for further instruction.)
